## IN THE SUMMER GLOW OF KERRISDALE VILLAGE

Kerrisdale Village, Vancouver's most charming, has made it easy to toss the car keys out the window this summer for anyone with access to a bicycle. Our neighbourhood, filled with shops and services of all descriptions, has strategically placed an array of bike racks throughout the Kerrisdale District allowing visitors to park their wheels while browsing, shopping, sipping or generally day-tripping around the 200 businesses that call it home.

Kerrisdale Village is easily accessed via the Ridgeway (East/West) and Cypress (North/South) Bikeways.

**JUNE IS BIKE MONTH. IN KERRISDALE VILLAGE WE WELCOME BIKES EVERY DAY!**
