Do your part to keep Kerrisdale Spic and Span!

It's not easy keeping the sidewalks of Kerrisdale spotless, especially when we have had such a long period of dry weather. But good weather can also equate to an increase in business, which is excellent news for us all, and sometimes that means more litter than usual.

Whether the recent spat of litter is due to industrious crows or slightly careless shoppers, we must all remember that Kerrisdale Village's reputation hangs in the balance on something as simple as a twice daily sweep.

All businesses with a store fronting the street are responsible for sweeping the sidewalk and keeping it clean and inviting for prospective shoppers and clients. Though the Kerrisdale Business Association maintains the beautification aspects of the streets and common areas by planting and watering flower pots and installing teak benches etc, it is up to stores and businesses to sweep any refuse up and

to discard it in rubbish bins, *not into the gutter* where it will eventually find its way back to where it started.

Businesses that tend to create more litter (ie coffee or ice cream cups) should try to be extra vigilant by doing litter patrols beyond their premises and emptying the distinctive KBA garbage receptacles if they are overflowing.

If we all do a little sweep, everyone will benefit and Kerrisdale Village is the big winner!
