## HOT SHEET

Everyone has been hunkered down this spring and Kerrisdale Village missed out on a number of longstanding traditional events like *Sidewalk Sales*, *Carnival Days* & the *Little League Parade* - but all for the best of reasons - **to keep everyone as safe as possible.** These have been difficult times, especially for small business which represents far and away Kerrisdale's majority of shops and services.

Happily we are now poised to reopen many doors, with enthusiasm and caution, thru something we call **Open With Care.** Your KBA Board has been working in conjunction with other Business Improvement Areas through regular ZOOM dialogues and also with City

Councilors and Mayor Kennedy Stewart. As an example, we have lobbied for faster permitting and relaxed rules concerning increased patio space for restaurants, cafes, coffee shops and retail stores where physically possible. City staff is now working on the details and we'll keep you updated.

Go to the flip side of this **Hot Sheet** for pertinent links regarding personal protection equipment, **Work Safe BC** opening guidelines and social distancing signage.

*As Provincial Health Officer Dr. Bonnie Henry likes to remind us: 'be safe, be kind, be calm' and let's get back to work and serving our community in the best way possible.*
